PART II

JOB SIMULATION EXERCISE

This portion of the examination is a management simulation exercise during which applicants will be required to make an oral presentation which will be video-taped. The oral presentation will address a job-related management problem. Each applicant will be assigned a specific time to report for this portion of the test, at which time written instructions will be provided. All applicants will be afforded an equal amount of preparation and presentation time. Scoring on this portion of the examination will be based on your communications skills, your management ability in deciding how to handle the problem, and your public relations skills in handling a sensitive management issue. In scoring your oral presentation, the following dimensions will be used by a panel of trained raters to evaluate this portion of your examination:

SUBJECT AREA/KNOWLEDGE

NO. 1.- ORAL COMMUNICATIONS

Ability to make an effective oral presentation by analyzing relevant data in determining speech content, organizing thoughts for an effective presentation, and using the principles of effective speech communications in making an effective and persuasive delivery.

NO. 2. - CONTENT PROBLEM ANALYSIS

Ability to identify the problem, analyze relevant information while relating data from different sources, and determine appropriate response, using relevant knowledge of fire service management.

NO. 3. - INTERPERSONAL RELATIONS

Ability to be sensitive to the concerns of others and have empathy for their point of view. Ability to work in a politically charged atmosphere with political sensitivity, diplomacy, and tact. An appropriate response will maximize the public relations potential of the situation.
